IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.42060 of 2008
INDRASHAN DEVI
Versus
STATE OF BIHAR
---

2. 26.11.2008 Heard the learned Counsel for the petitioner and the learned counsel for the State.

In this renewed prayer for anticipatory bail the submission is that contrary to the allegations the viscera report is in the negative. The deceased died of gynecological problem for which reliance is placed on Post Mortem Report.

The allegations are of an estranged relationship within seven years of marriage in the background of demands for dowry when the deceased preferred a claim for maintenance when in a offer for compromise she was taken back to the matrimonial home on 7.11.2005 and died in the matrimonial home in other than natural circumstances as soon as 12.11.2005.

In the entirety, that the viscera report may be negative when the Post Mortem Report does not contain any medical reasons for the death much less any gynecological problem, this Court is not persuaded to grant the privilege of anticipatory bail.

This application is rejected.
